If any essential components are not delivered on time, the entire system/components will be considered as delayed until such time the un-delivered parts are delivered and entire order obligations completed.

43. Force Majeure: A Force Majeure (FM) means extraordinary events or circumstance beyond human control such as an event described as an act of God (like a natural calamity) or events such as a war, strike, riots, crimes (but not including negligence or wrong-doing, predictable/ seasonal rain and any other events specifically excluded in the clause). An FM clause in the contract frees both parties from contractual liability or obligation when prevented by such events from fulfilling their obligations under the contract. An FM clause does not excuse a party's non-performance entirely, but only suspends it for the duration of the FM. The firm has to give notice of FM as soon as it occurs, and it cannot be claimed ex-post facto. There may be a FM situation affecting the purchase organisation only. In such a situation, the purchase organisation is to communicate with the contractor along similar lines as above for further necessary action. If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of FM for a period exceeding 90 (ninety) days, either party may at its option terminate the contract without any financial repercussion on either side.
Notwithstanding the punitive provisions contained in the contract for delay or breach of contract, the contractor would not be liable for imposition of any such sanction so long as the delay and/ or failure of the contractor in fulfilling its obligations under the contract is the result of an event covered in the FM clause.

44. Payment: **NO ADVANCE PAYMENT WILL BE MADE.** 100% of the item value of Freight & Insurance, Packing and Forwarding & Third-party Inspection payment (if applicable) will be release shall be made within 30 days after receipt and acceptance deliverables along with the certified invoice and all other required documents in original from the supplier.

45. Warranty:

The supplier warrants that the Goods supplied under this order are new, unused, of the most recent or current models and those they incorporate all recent improvements in design and materials unless provided otherwise in the order. The supplier further warrants that all Goods supplied under this order shall have no defect arising from design, materials or workmanship (except when the design and/or material is required by NIOT's Specifications) or from any act or omission of the supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the country of final destination.

The item supplied should be free from manufacturing defects. The warranty shall remain valid for **12 months** after the supply and acceptance of the all items or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the order. The warranty certificate should be furnished in the prescribed format in your letterhead and can be downloaded from the website link **https://www.niot.res.in/index.php/vendor/login**. If the Vendors standard warranty is more than 12 months the same shall be extended to NIOT.NIOT shall promptly notify the supplier in writing of any claims arising under this warranty.

Upon receipt of such notice, the supplier shall, within three (3) months repair or replace the defective Goods or parts thereof, without cost to NIOT other than, where applicable, the cost of inland delivery of the repaired or replaced Goods or parts from ex-works or ex-factory or ex-showroom to the final destination. If the supplier, having been notified, fails to remedy the defect(s) within the period specified, NIOT may proceed to take such remedial action as may be necessary, at the supplier 's risk and expense and without prejudice to any other rights which NIOT may have against the supplier under the order. Also, such failure shall lead to suspension of vendor from participation as deem fit by NIOT.

46. Insurance: The Goods supplied under the order shall be fully insured against all risk loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the NIT. If any such damage occurred the goods shall be replaced within in the order price immediately without waiting for the insurance claim. The cost of insurance shall be in the scope of the bidder.

47. Risk Purchase: If the Supplier fails to deliver the stores or any installment thereof within the period fixed for such delivery or at any time repudiates the Purchase Order before expiry of such period, NIOT is entitled to cancel the Purchase Order and source the remaining items/components from any parties the items/components which are not delivered, at the risk and cost of the defaulting Supplier. No payment shall be claimed for any part supplies made.

48. Adjudication, Mediation and Arbitration

All disputes relating to the contract, including adjudication, mediation and arbitration, shall be governed by the provisions contained in **Chapter 10 (Disputes and Conflicts)** of the *Manual for Procurement of Consultancy & Other Services, 2025*/ Chapter 9 **(Disputes and Conflicts)** of the *Manual for Procurement of Goods, 2025* issued by the Department of Expenditure, Ministry of Finance, as amended from time to time, and by the subsequent guidelines on arbitration and mediation in domestic public procurement contracts issued by the Department of Expenditure.

Arbitration will be restricted to disputes with a value less than Rs. 10 crores. This is inclusive of both claims and counterclaims. Arbitration will not be a method of dispute resolution in all other cases.

48.1 Termination of Contract

In case the Contractor undergoes insolvency or receivership, neglects or defaults or expresses inability or disinclination to honour his obligations relating to the performance of the contract or ethical standards or any other obligation that substantively affects the NIOT's rights and benefits under the contract, it shall be treated as a breach of contract. Such defaults could include inter-alia:

1) Default in Performance and Obligations: if the Contractor fails to deliver any or all of the Services or fails to perform any other contractual obligations (including Code of Integrity or obligation to maintain eligibility and evaluation criteria based on which contract was awarded) within the period stipulated in the contract or within any extension thereof granted by the NIOT.

2) Insolvency: If the Contractor being an individual or if a firm, any partner thereof, shall at

any time be adjudged insolvent or shall have a receiving order or order for the administration of his estate made against him or shall take any proceeding for composition under any Insolvency Act for the time being in force or make any conveyance or assignment of his effects or enter into any assignment or composition with his creditors or suspend payment or if the firm be dissolved under the Partnership Act, or

3) Liquidation: if the Contractor is a company being wound up voluntarily, or by order of a Court or a Receiver, Liquidator or Manager on behalf of the Debenture-holders is appointed, or circumstances shall have arisen which entitle the Court or Debenture-holders to appoint a Receiver, Liquidator or Manager As soon as a breach of contract is noticed, a show-cause 'Notice of Default' shall be issued to the Contractor, giving two weeks' notice, reserving the right to invoke contractual remedies.

In the event of an unsatisfactory resolution of 'Notice of Default' within two weeks of its issue as per the sub-clause above, the NIOT, if so decided, shall

1) take one; or more of the following contractual remedies.

a) Recover liquidated damages and invoke a denial clause for delays.

b) Temporarily withhold payments due to the Contractor till recoveries due to invocation of other contractual remedies are complete.

c) Call back any loaned property or payment advances with a levy of interest at the prevailing rate (MIBID - Mumbai Interbank Proposal Rate).

d) Encash and/ or Forfeit performance or other contractual securities.

e) Prefer claims against the insurance, if any.

f) Terminate the Contract for default, fully or partially, including its right for Risk and-Cost Procurement.

g) Initiate proceedings in a court of law for the transgression of a law, tort, and loss not addressable by the other remedies above.

4) By written Notice of Termination for Default sent to the Contractor, terminate the contract in whole or in part, without compensation to the Contractor.

a) Such termination shall not prejudice or affect the rights and remedies, including under the sub-clause below, which have accrued and/ or may accrue to the NIOT after that.

b) Unless otherwise instructed by the NIOT, the Contractor shall continue to perform the contract to the extent not terminated.

c) All Defect Liability obligations, if any, shall survive despite the termination.

48.2 Risk and Cost Procurement: In addition to termination for default, the NIOT shall be entitled, and it shall be lawful on his part, to procure Services similar to those terminated, with such terms and conditions and in such manner as it deems fit at the "Risk and Cost" of the Contractor. Such Risk and Cost Procurement must be contracted within nine months from the breach of contract. The Contractor shall be liable for any loss which the NIOT may sustain on that account provided the procurement, or, if there is an agreement to procure, such agreement is made. The Contractor shall not be entitled to any gain on such procurement, and the manner and method of such procurement shall be at the discretion of the NIOT. It shall not be necessary for the NIOT to notify the Contractor of such procurement. It shall, however, be at the discretion of the NIOT to collect or not the security deposit from the firm/ firms on whom the contract is placed at the risk and cost of the defaulted firm.

48.3 Limitation of Liability Except in cases of criminal negligence or wilful misconduct, the aggregate liability of the Contractor to the NIOT, whether under the contract, in tort or otherwise, shall not exceed the total Contract Price, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the Contractor to indemnify the NIOT concerning IPR infringement.

48.4 Notice for Determination of Contract

The NIOT reserves the right to terminate the contract, in whole or in part, for its (the NIOT's) convenience or frustration of Contract as per the sub-clause below, by serving written 'Notice for Determination of Contract' on the Contractor at any time during the currency of the contract.

The notice shall specify that the termination is for the NIOT's convenience or the contract's frustration. The notice shall also indicate inter-alia, the extent to which the Contractor's performance under the contract is terminated, and the date from which such termination shall become effective.
Such termination shall not prejudice or affect the rights and remedies accrued and/ or shall accrue after that to the Parties.
Unless otherwise instructed by the NIOT, the Contractor shall continue to perform the contract to the extent not terminated.
All Defect Liability obligations, if any, shall survive despite the termination.

52.Eligible Bidders

52.1. This Invitation for Bids is open to all suppliers. However, only Class-I and Class-II local suppliers are eligible to participate in Domestic Tender.

52.2. Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by the Purchaser to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this Invitation of Bids.

52.3. The bidders who have been temporarily suspended or removed from the list of registered suppliers by the purchaser or banned from Ministry/country wide procurement shall be ineligible for participation in the bidding process.

52.4. Bidders who fulfil the Eligibility Criteria mentioned in NIT will be considered for Technical Evaluation of bids.

53. Cost of Bidding

The Bidder shall bear all costs associated with the preparation and submission of its bid, and "the Purchaser", will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.

54. Code of Integrity for Public Procurement

The purchaser requires that the bidders, suppliers and Suppliers observe the highest standard of ethics during the procurement and execution of such orders.

(a)Corrupt practice

The offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in order execution.

(b) Fraudulent practice

a misrepresentation or omission of facts in order to influence a procurement process or the execution of aOrder.

(c) Collusive practice

means a scheme or arrangement between two or more bidders, with or without the knowledge of the purchaser, designed to establish bid prices at artificial, non-competitive levels.

(d) Coercive practice

means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the procurement process or affect the execution of aOrder.

(e) Anticompetitive practice

any collusion, bid rigging or anti-competitive arrangement, or any other practice coming under the purview of the Competition Act, 2002, between two or more bidders, with or without the knowledge of the purchaser, that may impair the transparency, fairness and the progress of the procurement process or to establish bid prices at artificial, non-competitive levels 7.

(f) Conflict of interest

participation by a bidding firm or any of its affiliates that are either involved in the consultancy Order to which this procurement is linked; or if they are part of more than one bid in the procurement; or if the bidding firm or their personnel have relationships or financial or business transactions with any official of purchaser who are directly or indirectly related to tender or execution process of Order; or improper use of information obtained by the (prospective) bidder from the purchaser with an intent to gain unfair advantage in the procurement process or for personal gain

(g) Obstructive practice

materially impede the purchaser's investigation into allegations of one or more of the above mentioned prohibited practices either by deliberately destroying, falsifying, altering; or by concealing of evidence material to the investigation; or by making false statements to investigators and/or by threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or by impeding the purchaser's Entity's rights of audit or access to information

54.2. The Purchaser will reject a proposal for award if it determines that the Bidder recommended for award has, directly or through an agent, engaged in corrupt, fraudulent, collusive or coercive practices in competing for the Order in question.

54.3. The bidders/suppliers should sign a declaration about abiding by the Code of Integrity for Public Procurement and submit it in the form along with bid documents. In case of any transgression of this code, the bidder is not only liable to be removed from the list of registered suppliers, but it would be liable for other punitive actions such as cancellation of orders, banning and blacklisting or action by Competition Commission of India, and so on.

55. Obligations for Proactive disclosures

i. The Purchaser as well as bidders, suppliers, Suppliers and consultants, are obliged under Code of Integrity for Public Procurement to sue-moto proactively declare any conflicts of interest (coming under the definition mentioned above – pre-existing or as and as soon as these arise at any stage) in any procurement process or execution of Order. Failure to do so would amount to violation of this code of integrity.

ii. The bidder must declare, whether asked or not in a bid document, any previous transgressions of such a code of integrity with any entity in any country during the last three years or of being debarred by any other Procuring Entity. Failure to do so would amount to violation of this code of integrity

iii. To encourage voluntary disclosures, such declarations would not mean automatic disqualification for the bidder making such declarations. The declared conflict of interest would be evaluated and mitigation steps, if possible, taken by the purchaser.

56. Punitive Provisions

Without prejudice to and in addition to the rights of the Purchaser to other penal provisions as per the bid documents or Order, if the Purchaser comes to a conclusion that a (prospective) bidder/supplier, directly or through an agent, has violated this code of integrity in competing for the Order or in executing aOrder, the purchaser may take appropriate measures including one or more of the following:

a)If his bids are under consideration in any procurement:

i. Forfeiture or encashment of bid security;

An item-by-item commentary on the Purchaser's Technical Specifications demonstrating substantial responsiveness of the goods and services to those specifications or a statement of deviations and exceptions to the provisions of the Technical Specifications.

58.3. For purposes of the commentary to be furnished pursuant to above, the Bidder shall note that standards for workmanship, material and equipment, designated by the Purchaser in its Technical Specifications are intended to be descriptive only and not restrictive. The Bidder may substitute these in its bid, provided that it demonstrates to the Purchaser's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

59. Confidentiality

1. Information relating to the examination, evaluation, comparison, and post qualification of bids, and recommendation of Order award, shall not be disclosed to bidders or any other persons not officially concerned with such process until Award of the Order. However, decisions taken during process of tender evaluation shall be hosted on e-Tenders portal.

2. Any effort by a Bidder to influence the Purchaser in the examination, evaluation, comparison, and post qualification of the bids or Order award decisions may result in the rejection of its Bid.

60. Post qualification

60.1. In the absence of pre-qualification, the Purchaser will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the Order satisfactorily, in accordance with the criteria listed in the SCC.

60.2. The determination will take in to the Eligibility& Qualification criteria listed in the SCC of Tender document and it will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, as well as such other information as the Purchaser deems necessary and appropriate.

60.3. An affirmative determination will be a prerequisite for award of the Order to the Bidder. A negative determination will result in rejection of the Bidder's bid.

61. Bidder's right to question rejection

A Bidder shall have the right to be heard in case he feels that a proper procurement process is not being followed and/or his tender has been rejected wrongly. Only a directly affected bidder can represent in this regard as under:

61.1 Only a bidder who has participated in the concerned procurement process i.e. pre-qualification, bidder registration or bidding, as the case may be, can make such representation.

61.2 In case pre-qualification bid has been evaluated before the bidding of Technical bids, an application for review in relation to the technical bid may be filed only by a bidder who has qualified in prequalification bid.

61.3 In case technical bid has been evaluated before the opening of the financial bid, an application for review in relation to the financial bid may be filed only by a bidder whose technical bid is found to be acceptable.

61.4 In case a Bidder feels aggrieved by the decision of the purchaser, he may then send his representation in writing to the Purchaser's address within 05 working days from the date of communication of the purchaser intimating the rejection for reconsideration of the decision by the purchaser.

61.5 Following decisions of the purchaser in accordance with the provision of internal guidelines shall not be subject to review:

a) Determination of the need for procurement;
b) Selection of the mode of procurement or bidding system;
c) Choice of selection procedure;
d) Provisions limiting participation of bidders in the procurement process;
e) The decision to enter into negotiations with the L1 bidder;
f) Cancellation of the procurement process except where it is intended to subsequently re-tender the same requirements;

Issues related to ambiguity in Order terms may not be taken up after a order has been signed, all such issues should be highlighted before consummation of the Order by the vendor/Supplier; and Complaints against specifications except under the premise that they are either vague or too specific so as to limit competition may be permissible.

62. Joint Venture, Consortium or Association

If the Supplier is a joint venture, consortium, or association, all of the parties shall be jointly and severally liable to the Purchaser for the fulfilment of the provisions of the Order and shall designate one party to act as a leader with authority to bind the joint venture, consortium, or association. The composition or the constitution of the joint venture, consortium, or association shall not be altered without the prior consent of the Purchaser.

The Third-Party Inspection shall be conducted by DNV/ SGS/Lloyds/TUV/ABS or any other IACS Agency. The inspection shall be either at airport point of loading or at the Suppliers factory before dispatch of cargo. Bidders are requested to mention the inspection charges explicitly in their quote. Third party inspection charges at actual will be reimbursed on submission of separate invoice for TPI charges (along with the

inspection report and invoice issued by the third-party inspection agency) while furnishing the commercial invoice for supply. In the absence of separate invoice, tax deduction at source @10% of the quoted TPI charges will be deducted as per IT provision of Govt. of India.
b) The Third-Party Inspection is not mandatory for Indian bidders and for payment after supply and acceptance through Wire Transfer by foreign supplier and in INR to Indian Supplier/ Agent.

80. Payment:

NO ADVANCE PAYMENT WILL BE MADE As per standard terms 100% of the item value plus Freight & Insurance payment will be made through Irrevocable Letter of Credit/Wire Transfer within 30days after supply installation and commissioning and training at NIOT and acceptance of the item, Third Party Inspection report is mandatory, so bidders are requested to mention the rates for TPI charges in the BOQ. 100% payment will be released.

81. Shipment:

Generally, Part shipment and Transhipment are not permitted. If required for, the bidder has to indicate the reason. All risk insurance should be taken, covering the entire shipment up to supply and acceptance of the item within the quoted price. Please indicate the Port of Shipment along with the country of origin of the Supply along with the invoice.

82. Demurrage:

Demurrage Charges, if any, Payable on Account of Delay in Receipt of Advance Copies of Invoice / Shipment Documents will be debited to Your bidders Account. In the absence of clear documentation, the cargo cannot be cleared and cargo will be kept uncleared and will lie at Bailee's premises at the risk and cost of Supplier.

83. Customs Clearance:

1. All Bills of Entry must be filed with customs prior to arrival of the vessel or aircraft latest by next day of arrival of the vessel or aircraft. Failing which penalty of Rs.5000/- (approx. $ 75) per day shall be levied by Indian customs for the delay of first three days.
2. Rs.10000/- (approx. $150) per day shall be levied for delay in filling bill of entry beyond three days of arrival of the vessel or aircraft

Technical Compliance sheet (to be filled by the bidder)

Standalone ARGOS beacon for Matsya6000

Introduction

Argo beacons are essential in deepwater ocean operations as they provide accurate positioning and reliable tracking of submerged equipment. They also support long-term research by enabling continuous monitoring of instrument movements across vast ocean regions. Overall, they provide critical operational reliability for successful deployment, tracking, and recovery in marine studies. The vendor shall provide the serial number of the beacon to NIOT in order to obtain the ARGOS ID number. NIOT will provide the ARGOS ID number for programming into the system through the ARGOS Airtime Service Provider.
